

DRIVING DIRECTIONS

FROM ANDREWS (WEST): The route to the cabin from the west begins at Andrews, NC at the junction of Highway 19/129 and Business 19/Main St.

- From this starting point, drive 2.1 miles through Andrews' downtown district on Main St. (Business 19) until you reach Junaluska Rd. Watch for Andrews Heating and Air Conditioning on your right; Junaluska Rd. is the right fork immediately beyond Andrews A/C.
- **Bear right** at the fork onto Junaluska Rd. and travel 12.8 miles to the stop sign at Wayah Rd. (Hwy. NC-1310).
- **Turn right** onto Wayah Rd. and travel 2.1 miles to the Main Entrance of El Shaddai II&III / Whispering Springs, at Rhododendron Dr. , as shown below:

At this entrance, please put your car in **LOW** gear as it's a steep drive initially and then once again as you climb up to Misty Laurel. *Please do not exceed 10 mph and stay to the outside of curves to avoid spinning your tires on loose gravel.* There are signs directing you to Misty Laurel at the key turns along the route. It's 0.8 mile from the Main Entrance to Misty Laurel.

IMPORTANT NOTE: Your GPS can reliably be used to get to the Entrance of the development, but beyond that point, please use the Neighborhood Map on the Misty Laurel website because most online and GPS maps are incorrect and you will be misled by your GPS!
